	<p>BWCMs financial planning and/or consulting fee(s) will be determined based on the nature of the services being provided and the complexity of each clients circumstances. All fees are agreed upon prior to entering into a contract with any client.</p> <p>GENERAL INFORMATION ON FEES AND SERVICES</p> <p>Negotiability of Fees: In certain circumstances, all of BWCM's fees may be negotiable.</p> <p>Fee Calculation: The fee charge is calculated as described above and is not charged on the basis of a share of capital gains upon or capital appreciation of the funds or any portion of the funds of an advisory client (Section 205(a)(1) of the Investment Advisers Act of 1940.)</p> <p>Termination of Advisory Relationship: A client agreement may be canceled at any time, by either party, for any reason upon receipt of written notice. Upon termination of any account, any prepaid, unearned fees will be refunded. The client has the right to terminate an agreement without penalty within five business days after entering into the agreement. In the event of withdrawal of funds or the termination of any account, any fees, commissions or other expenses associated with rebalancing or liquidating the account holding may be assessed to the client's account.</p> <p>Mutual Fund Fees: All fees paid to BWCM for investment advisory services are separate and distinct from the fees and expenses charged by mutual funds to their shareholders. These fees and expenses are described in each fund's prospectus. These fees will generally include a management fee, other fund expenses, and a possible distribution fee. If the fund also imposes sales charges, a client may pay an initial or deferred sales charge. A client could invest in mutual funds directly, without the services of BWCM. In that case, the client would not receive the services provided by BWCM which are designed, among other things, to assist the client in determining which mutual fund or funds are most appropriate to each client's financial condition and objectives. Accordingly, the client should review both the fees charged by the funds and fees charged by BWCM to fully understand the total amount of fees to be paid by the client and to thereby evaluate the advisory services being provided.</p>

12.A(1) & 12.A(2)	<p><u>INVESTMENT DISCRETION</u></p> <p>PORTFOLIO MANAGEMENT SERVICES:</p> <p>For "discretionary" Portfolio Management clients, BWCM requests that it be provided with written authority to determine which securities and the amounts of securities that are bought or sold.</p> <p>Any limitations on this discretionary authority shall be included in this written authority statement. 12.B	<p><u>BROKERAGE RECOMMENDATIONS</u></p> <p>As BWCM does not have the discretionary authority to determine the broker dealer to be used or the commission rates to be paid, clients must direct BWCM as to the broker dealer to be used. Item of Form (identify)	Answer
13.A	<p><u>ADDITIONAL COMPENSATION</u></p> <p>Individuals of BWCM, from time to time in their individual capacities, may receive incentive awards for the recommendation/introduction of insurance products.</p> <p>SI and FRIAG each respectively provide BWCM with access to institutional trading and custody services, which are typically not available to retail investors. These services generally are available to independent investment advisors on an unsolicited basis at no charge to them. SI requires an adviser maintain a total of at least \$10 million of the advisor's clients' assets are maintained in accounts at Schwab Institutional, or otherwise charges advisor a fee for these services. The services include brokerage, custody, research, and access to mutual funds and other investments that are otherwise generally available only to institutional investors or would require a significantly higher minimum initial investment.</p> <p>Schwab and FRIAG also make available to BWCM other products and services that benefit BWCM but may not benefit its clients' accounts. Some of these other products and services assist BWCM in managing and administering clients' accounts. These include software and other technology that provide access to client account data (such as trade confirmations and account statements), facilitate trade execution (and allocation of aggregated trade orders for multiple client accounts), provide research, pricing information and other market data, facilitate payment of BWCM's fees from its clients' accounts, and assist with back-office functions, recordkeeping and client reporting. Many of these services generally may be used to service all or a substantial number of BWCM's accounts. Recommended brokers also make available to BWCM other services intended to help BWCM manage and further develop its business enterprise. These services may include consulting, publications and conferences on practice management, information technology, business succession, regulatory compliance, and marketing. BWCM does not, however, enter into any commitments with the brokers for transaction levels in exchange for any services or products from brokers. While as a fiduciary, BWCM endeavors to act in its clients' best interest, BWCM's requirement that clients maintain their assets in accounts at Schwab or FRIAG may be based in part on the benefit to BWCM of the availability of some of the foregoing products and service and not solely on the nature, cost or quality of custody and brokerage services provided by the brokers, which may create a potential conflict of interest.</p> <p>-</p> <p>-</p>
